Preface

This Project Report has been prepared in partial fulfilment of the requirement for the Subject: Practical Studies of the programmer B.B.A. (Sem. II) in the academic year 2009-2010.

For preparing the Project Report, we have visited the Manufacturing Company, to avail the necessary information. The blend of learning and knowledge acquired during the visit at the company is presented in this Project Report.

The rationale behind visiting the manufacturing company and preparing the Project Report is to study the production basics, and its functional areas like marketing department, services, human resource department and financial department.
